

# HP USB-C to Multi-port Hub (1BG94AA)

## Overview

### Added connectivity for the latest devices

Turn your ultra-sleek device into a productivity powerhouse with an all-purpose connectivity hub. Connect everything from a larger HDMI display to an external hard drive using just one USB-C™[1] port, for a full-featured experience that lets you take on a serious workload, wherever you are.

### Multiple connections

Connect to an external display or other accessories with the HDMI, USB-C™[1] and USB ports.

### Convenient cable

With a generous 12" cable, you can position the hub wherever you need.

### Pocket-sized portability

Compact and lightweight, it seamlessly travels with you without adding bulk.

## Features

### **One-step simplicity**

Just plug in the hub and you're done, no drivers needed.

### **Confident compatibility**

Tested with HP laptops to ensure a smooth, reliable Experience.
